

Georgian oak and elm tripod table

£4,800

REF: 844

Height: 74 cm (29.1")

Diameter: 81 cm (31.9")

Description

Georgian oak and elm tripod table, raised on a well turned oak baluster column, unusually bulbous and exaggerated with flat reeded panel carved over the knees of each leg. Terminating in pointed flat feet. The circular tilting top in well figured elm is the best of its kind, the patina exceptional. condition very good
